WHAT SAILOR MEN TALK OF

SCHOONER ALOHA ARRIVES IN PORT.

The Rough Weather on Kauai Coast—New Market Wanted—News and Gossip of the Water Front.

The S. S. Australia will sail for San Francisco at 4 p. m.

The S. S. Moana is due from San Francisco on her way to the colonies early tomorrow morning.

The schooner Robert Lewers finished discharging yesterday and has now hauled up town to await a sugar cargo.

After the S. S. Coptic sails from here for San Francisco on the 18th inst., there will be no steamer to the Coast direct before February 3rd.

The steamer Mikahala arrived this morning from Koloa, with 4942 bags of sugar for the Iredale. She made the round trip in three days.

There is a dearth of mates for sailing vessels in port. Four masters would gladly exchange their first assistants for better men, could good mates be secured, which seems almost impossible.

The bark Nuanuu did not put to sea yesterday in tow of the steamer Claudine, as planned. Because of the rough weather prevailing it was deemed best for her to wait until the storm abated.

Reports received today by the steamer Mikahala show that there are 31,700 bags of sugar at the various landings on Kauai, more than half of which is at Kilauea, where vessels have been unable to effect a landing for nearly three weeks. Enough steamers have been dispatched by the Inter Island company during the past two days to clear out all the landings if they can be reached.

According to reports received by the Mikahala this morning the Ke Au Hon which has been storm bound off Kilauea during the past ten days, succeeded, on Monday, in landing a portion of her freight, and the remainder yesterday. She commenced taking in sugar, but had to knock off on account of the roughness of the sea. The warehouses are now about full. The Mahee is still weather bound at Hanalei.

The Iredale hauled alongside Wilder's wharf this morning to receive sugar from the Mikahala. When she has stowed the Mikahala's cargo she will need 6000 bags more to give her a cargo of 1800 tons, which is all that Captain Plunkett expects to get this trip, although his vessel can carry 2500 tons. If the needed sugar can be secured before the end of the week, Captain Plunkett hopes to sail early in the coming week. The Iredale goes to Oakland to discharge at the long wharf.

The schooner Aloha, Captain Dabel, arrived this morning from San Francisco, after a monotonous voyage of 21 days. She brings 1000 tons of general cargo to Mackfeld & Co., 22 mules and 254 hogs. The animals passed inspection and were landed. Captain Dabel feels none the worse for his rough experience on entering San Francisco on his last trip up, when he and his men had to seek refuge in the rigging, because of the immense seas that broke over the decks while crossing the bar.

COFFEE LAND TO BE LEASED.

The Trustees of the B. P. Bishop Estate offer for lease for 21 years desirable lots of lands suitable for coffee growing, in the Ahupuaa of Keel, Kona, Hawaii, at a rental varying from \$1 to \$5 per acre. The lots have been laid out by W. A. Wall, Surveyor, and vary in size from five acres to ninety-eight acres. Applications for information may be made to A. C. Lovekin, Chief Clerk, at the Estate Office adjoining Bishop's Bank, or to J. D. Paris, Napoopoo, Kona, Agent for the Bishop Estate for the District of Kona; who will show all applicants the maps of the lots that indicate the location and size of the same, and the form of lease. The leases will be sold at public auction to the one offering the highest bonus for the lease. Further notice will be given as to the date of sale.
Honolulu, Dec. 15, 1897.

FAVORITE SALOON.

The Favorite saloon on Hotel street is always on the watch to please its customers. Mr. Cunningham gives his personal attention to all details and a customer is sure of receiving good service and the best of liquors. No refreshment house in the city is kept neater or cleaner and the celebrated Rainier Beer is always on tap. It is also for sale by the keg, dozen or bottle, at regular prices. When you need anything in this line ring up Telephone No. 439, and your wants will receive prompt attention.

If any one tells you that a baking powder regularly sold at 25 cents or 30 cents a pound is pure and good, he doesn't know what he is talking about.

It cannot be made at that price. You must pay more.

Of the right-price baking powder, *Schilling's Best* is the best. There are, however, others nearly as good; they do two-thirds the work.
